

3rd October 2016

Dear Parent/Guardian,

As you will be aware from our parents' mailing before the summer holidays, we have changed the way we allocate homework at Key Stage Three (Y7-9). Students are currently being allocated homework via Doodle and all students have now had the opportunity to log onto Doodle and complete homework.

Having allowed a few weeks for the system to settle down, detentions for the non-completion of homework will begin on Wednesday 5th October. As a parent/guardian, you will receive a text message on Wednesdays if your child has failed to complete a piece of homework that was due the week before. This will inform you of your child's detention. The length of detention will depend on the number of incomplete pieces of homework;

1 piece= 20 minutes

2 pieces= 40 minutes

3 pieces= 60 minutes

In the homework detention, students will log onto doodle and complete the homework that they have been set. Students will be made aware of where the detentions are by their learning manager.

For your information, I have also included below the homework schedule which should help you to monitor your child's homework.
