

# Book Label

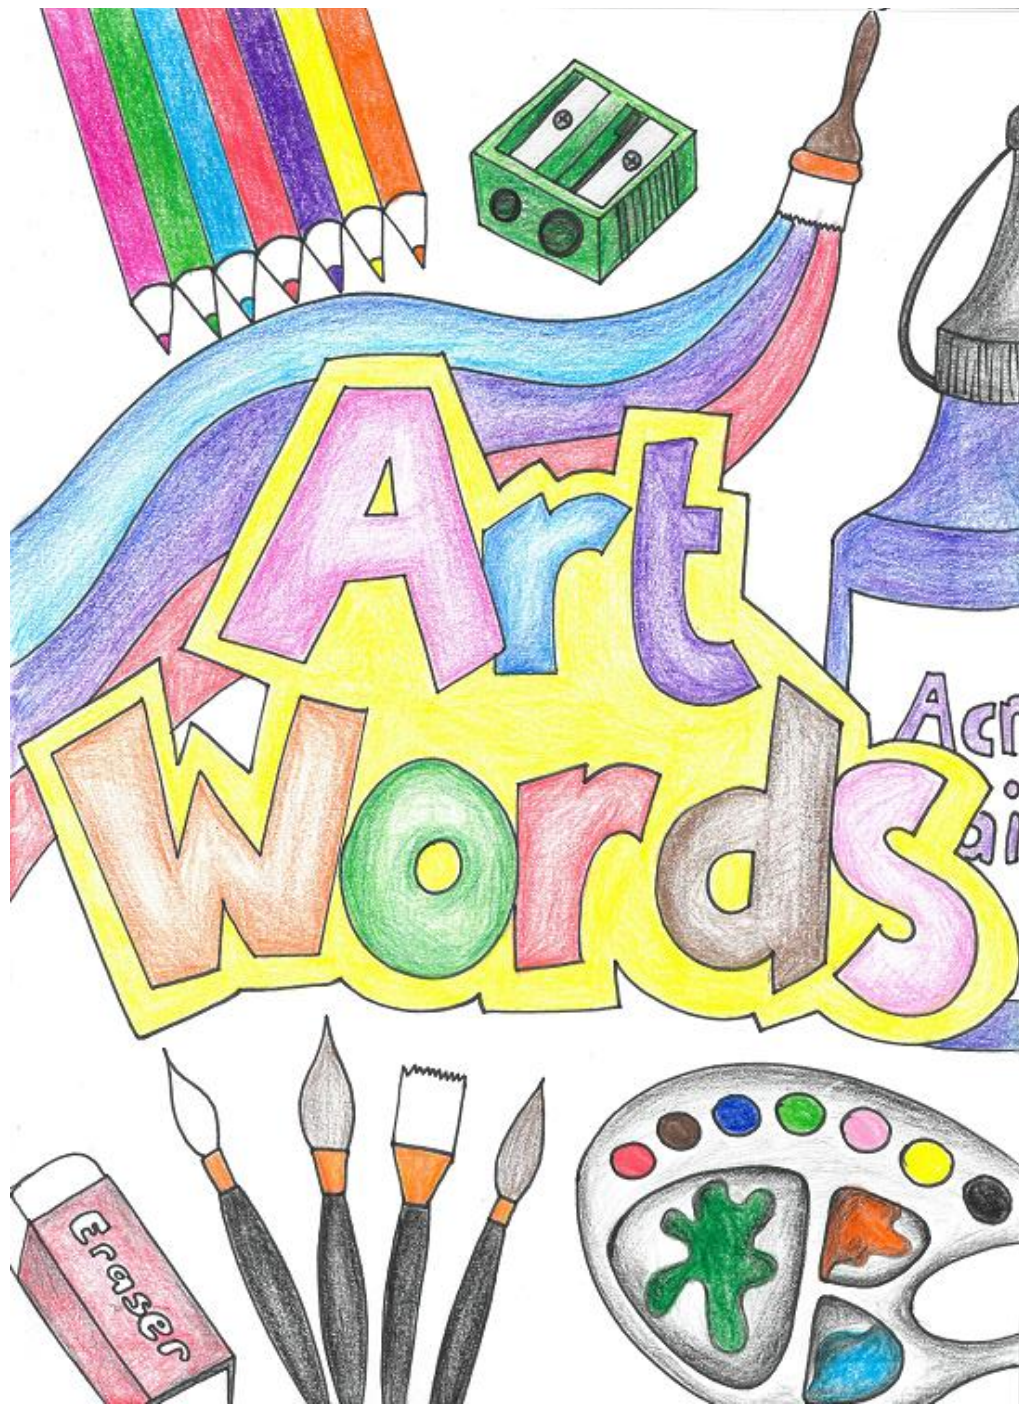

- Firstly draw a line around your name a few mm deep on your A5 Name label.
- Secondly, working from the inside outwards create pencil patterns covering your whole name label. (they should show repetition and not resemble anything other than shapes and lines).
- Lastly, colour your work using pencils. Aim to show some nice colour blending and use of complimentary and harmonious colours.
- **DO NOT ADD COLOUR OVER YOUR NAME.**

**You can watch a demo video here:**

# Art Words

## Title Page

Your work should include:

- ART WORDS title
- Drawings of art related objects
  - Carefully considered colour – block and blended where possible

TONE

The tone page should demonstrate the student's ability to carefully apply tone with a normal HB pencil.
