

10th August 2020

Dear Students,

YEAR 11 – results are available from school from 8:00am on Thursday 20th August 2020

We will be having a slightly staggered collection for GCSE results to ensure we can maintain social distancing.

All students with the surnames:

A-B	8:00am from the Main Hall
C-D	8.30am from Durham Dining Area
E-G	9:00am from the Main Hall
H-M	9.30am from Durham Dining Area
N-S	10:00am from the Main Hall
T-Y	10.30am from Durham Dining Area

Please only bring one other person with you to collect your results to help us maintain social distancing and to keep everyone on site safe. There will be a photographer in school taking photographs that you will be able to share with others.

Any students who require any additional support or guidance regarding their next steps can see career advisors in the main hall by accessing the hall from the doors closest to the stage.

Students not attending site for results days

It is important to note that the GCSE results data belong to the student and therefore we are legally bound to get the permission of the student to disclose/provide their results to anyone else – including parents.

- **If a student wants their results via post they (the student themselves)** will need to provide a postal address that they would like results posting to. Please be aware there will be a short delay in preparing these due to the administration involved.
- **If a parent or guardian is collecting the results on behalf of the student** they should bring with them a letter of authorisation **signed by the student** to authorise a named representative.

'Resitting' the exam

We hope you will be pleased with the results that have been calculated for GCSEs this Summer. For any student who is unhappy with their centre assessed grade there will be an opportunity to take 'resit' GCSE exams in November 2020. If a student wishes to be entered for a GCSE resit the deadline for entries is **18th September 2020**. They will also have to pay the cost of entry. The entry fees are listed in the table overleaf.
