

Maths Department

Year 6 transition projects

Project Title	Problem Solving
Why is this important for me?	In Mathematics, as well as life, it important to identify the important information and use this information to solve problems.
General overview of project / what do I need to do?	<p>There are four mini project booklets to work through</p> <ol style="list-style-type: none">1. Consecutive Numbers2. Hotel resort3. Magic Squares4. Area and perimeter <p>Each booklet will take students through the different tasks.</p>
Pictures / examples of work / expectations	
Resources and websites needed	Booklets can either be printed off or students can use paper to write and draw their work
Any other information	
Do you need help?	If you need any extra help with the projects, please contact info@woodham.org.uk and we will get back to you asap.
