Project Title

My Sporting Curriculum Vitae (CV)

Why is this important for me?

This will help us get to know **YOU** a little better when you join us in September. We all have likes and dislikes and different interests, so if we can get to know what motivates you, then we can help you to enjoy participating in sport and PE.

General overview of project / what do I need to do?

Complete the sporting CV on the following page and then use the information to create your sporting superhero or superheroine on the next page, using the templates provided.

Any other information

Be as creative and colourful as possible! The sports that you put on your Sporting CV, do not only have to be accessed in school. For example, horse riding, golf, rock climbing. You can bring this with you in September and pass onto your PE teacher.

Do you need help?

If you need any extra help with the projects, please contact info@woodham.org.uk and we will get back to you asap.

Task 1:

To get to know you better for when you start at Woodham Academy, we'd like you to create a Sports CV using the template below to demonstrate your experience of sport so far.

Fill it in as best you can and don't worry if you haven't played much sport so far, there will be lots of opportunities to try new things when you come to Woodham Academy.

Your surname:	
The name of your Primary School:	
What are your favourite sports?	
Do you do sports for any teams or clubs?

Task 2: Let us get to know you better.
