

CONSENT FORM FOR PHOTOGRAPHY AND IMAGES OF CHILDREN

During your life at Woodham Academy we may wish to take photographs of activities that involve you. Before publishing any photographs of you, we need your permission.

The photographs may be used for displays, publications and on our website, by the Local Education Authority or by local newspapers and media.

Photography of filming will only take place with the permission of the Headteacher, and under appropriate supervision. When filming or photography is carried out by the news media, you will only be named if there is a particular reason to do so (e.g. you have won a prize), and home addresses will never be given out.

We regularly review and delete unwanted material although some images may be used for a short time after students leave Woodham.

Images that might cause embarrassment or distress will not be used nor will images be associated with material on issues that are sensitive. You can ask to see images of you held by the school.

You may object to your image being used and you may withdraw your consent at any time by contacting Mrs Taylor.
