UNIFORM

- Grey suit jacket with embroidered school logo (separate fit for male and female) to be worn at all times.
- Tie: Years 7 black with **GREEN** stripe.
- White shirt (long or short sleeved).
- Black formal school trousers or skirt. Formal means without visible zips or fashion accessories. The skirt must be the school pleated skirt and must be purchased from the suppliers. No other skirts will be allowed.
- Black leather formal or similar polishable shoes. No trainer-style shoes, boots or plimsolls. Boots may be worn in adverse weather conditions with trousers only (trousers must be worn outside of the boots).
- Plain black belt, no more than 3cm wide, with a plain buckle, if required.
- In cold weather students can wear a plain white t-shirt, underneath their school shirt for extra warmth, however this should not be visible. Or a grey jumper with the embroidered school logo (purchased from the school suppliers).
- School bag to carry all equipment needed for the day. Fashion handbags are not acceptable at any time.
- A dark coloured coat can be worn over the suit jacket to and from the school but must be removed inside the school building.
- **No cardigans, hoodies or jumpers (without the school logo) should be worn at any time, even as an alternative to a coat.**

Students will often be expected to use a green biro pen and a black whiteboard marker in lessons. These will be provided for students but you may prefer to have your own.

Once you have received your timetable you can use this to help prepare your bag for the following day. Make sure that you have the relevant exercise books and PE kit where required.

Students will be allowed to bring a mobile phone to school, but this needs to be switched off and placed in school bags until they are off the school site.

WOODHAM ACADEMY VALUES

WOODHAM ACADEMY OUR VALUES

BE KIND

AIM HIGH

WORK HARD

NEVER GIVE UP

We have 4 simple values that we expect all Woodham students to follow. These will be regularly referred to throughout the day, both within and outside of lessons. Our reward system is built on these values, with achievement points awarded for students who show a real commitment to these values.

HOW CAN YOU DEMONSTRATE OUR SCHOOL VALUES?

Can you give examples of where you have demonstrated these values? This could be in your primary school, at home or during a sport or other hobby.

Be Kind

Aim High

Work Hard

Never Give Up

SUMMER PROJECT

At Woodham Academy our four school values are very important, and we like to celebrate when our students demonstrate them.

Think about a time when you've demonstrated one or more of our values and create an outcome that shows or describes how you did this. You might want to write a story, draw a picture, print a photograph, or you can even get creative and present it in a different format. You can work in the space below or you can produce something outside of your booklet.

Remember to bring your project with you on the first day of school so that your tutor can award achievement points for completing it. Prizes will be awarded in each tutor group for the most creative piece of work and the best example of how our values have been demonstrated.

BE KIND – AIM HIGH – WORK HARD – NEVER GIVE UP

LESSON ROUTINES AT WOODHAM

On arrival at the classroom, we line up silently, single file in the corridor

All lessons last 50 minutes, we get to lessons quickly because every second counts

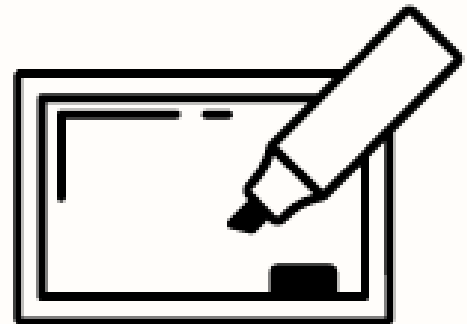

At the start of every lesson, we get equipment out of our bags and put them on the table. This saves time in the lesson. We need out; planner, pen, pencil, ruler and whiteboard pen.

All lessons start with a Do Now. These help get your minds ready for learning by recalling important information we have previously learned. This should be completed in silence.

All independent work at Woodham is completed in silence. This makes sure that everyone is able to concentrate on their work.

When we want to take feedback from the whole class, we use whiteboards. When we use whiteboards, we write our answers on the boards when teachers ask. We hover our boards when we have an answer. We show our boards when the teacher gets to 1/show me on the countdown.

When we want students to share ideas with one another, we use turn and talk. Make sure you speak clearly and listen intently to your partner. Turn to face your partner just like we would in real life conversation!

EXPECTATIONS AT WOODHAM

At Woodham Academy, we have high expectations of all our students.

During lessons we want all students to be able to receive a high standard of education and to be able to work to the best of their ability without being distracted by others. We feel that it is not fair for students to distract others through silly behaviour and not following teachers' instructions. Five years of secondary school will go faster than you think, and it is important that we make the most of every lesson.

Outside of lessons, we expect students to behave sensibly. Students are expected to walk calmly and with purpose around the school. During break and lunch time we have plenty of grassed areas outside where you can run around and play football with your friends. Some of you may prefer to sit on our picnic benches having a chat or attend one of our extra-curricular activities.

REWARDS AT WOODHAM

Here at Woodham Academy we love to congratulate students and celebrate their hard work and effort. Teachers take every opportunity to praise students in lessons, especially if students are demonstrating our school values of 'Be Kind', 'Work Hard', 'Aim High' and 'Never Give Up'. Students are also regularly awarded for good attendance. If you want to be successful it is important that you attend school regularly and on time.

Here are some of the rewards we offer at Woodham:

FINDING YOUR WAY AROUND SCHOOL

Woodham Academy is built on 3 floors and there is a separate PE block, which includes a swimming pool!

Each classroom will be labelled and this will tell you whether it is on the ground floor, 1st floor or 2nd floor.

- Ground Floor Classrooms G-01 to G-011
- 1st Floor Classrooms 1-01 to 1-20
- 2nd Floor Classroom 2-01 to 2-24

When you get to the correct floor, the classrooms are in number order so it will be easy for you to find where you need to go to. Don't worry, we will make sure that you have enough time to explore the building on your first day, without any of the other year groups here.

Finding your way around: Colouring Task!

You can already start to find your way around by completing the following task.

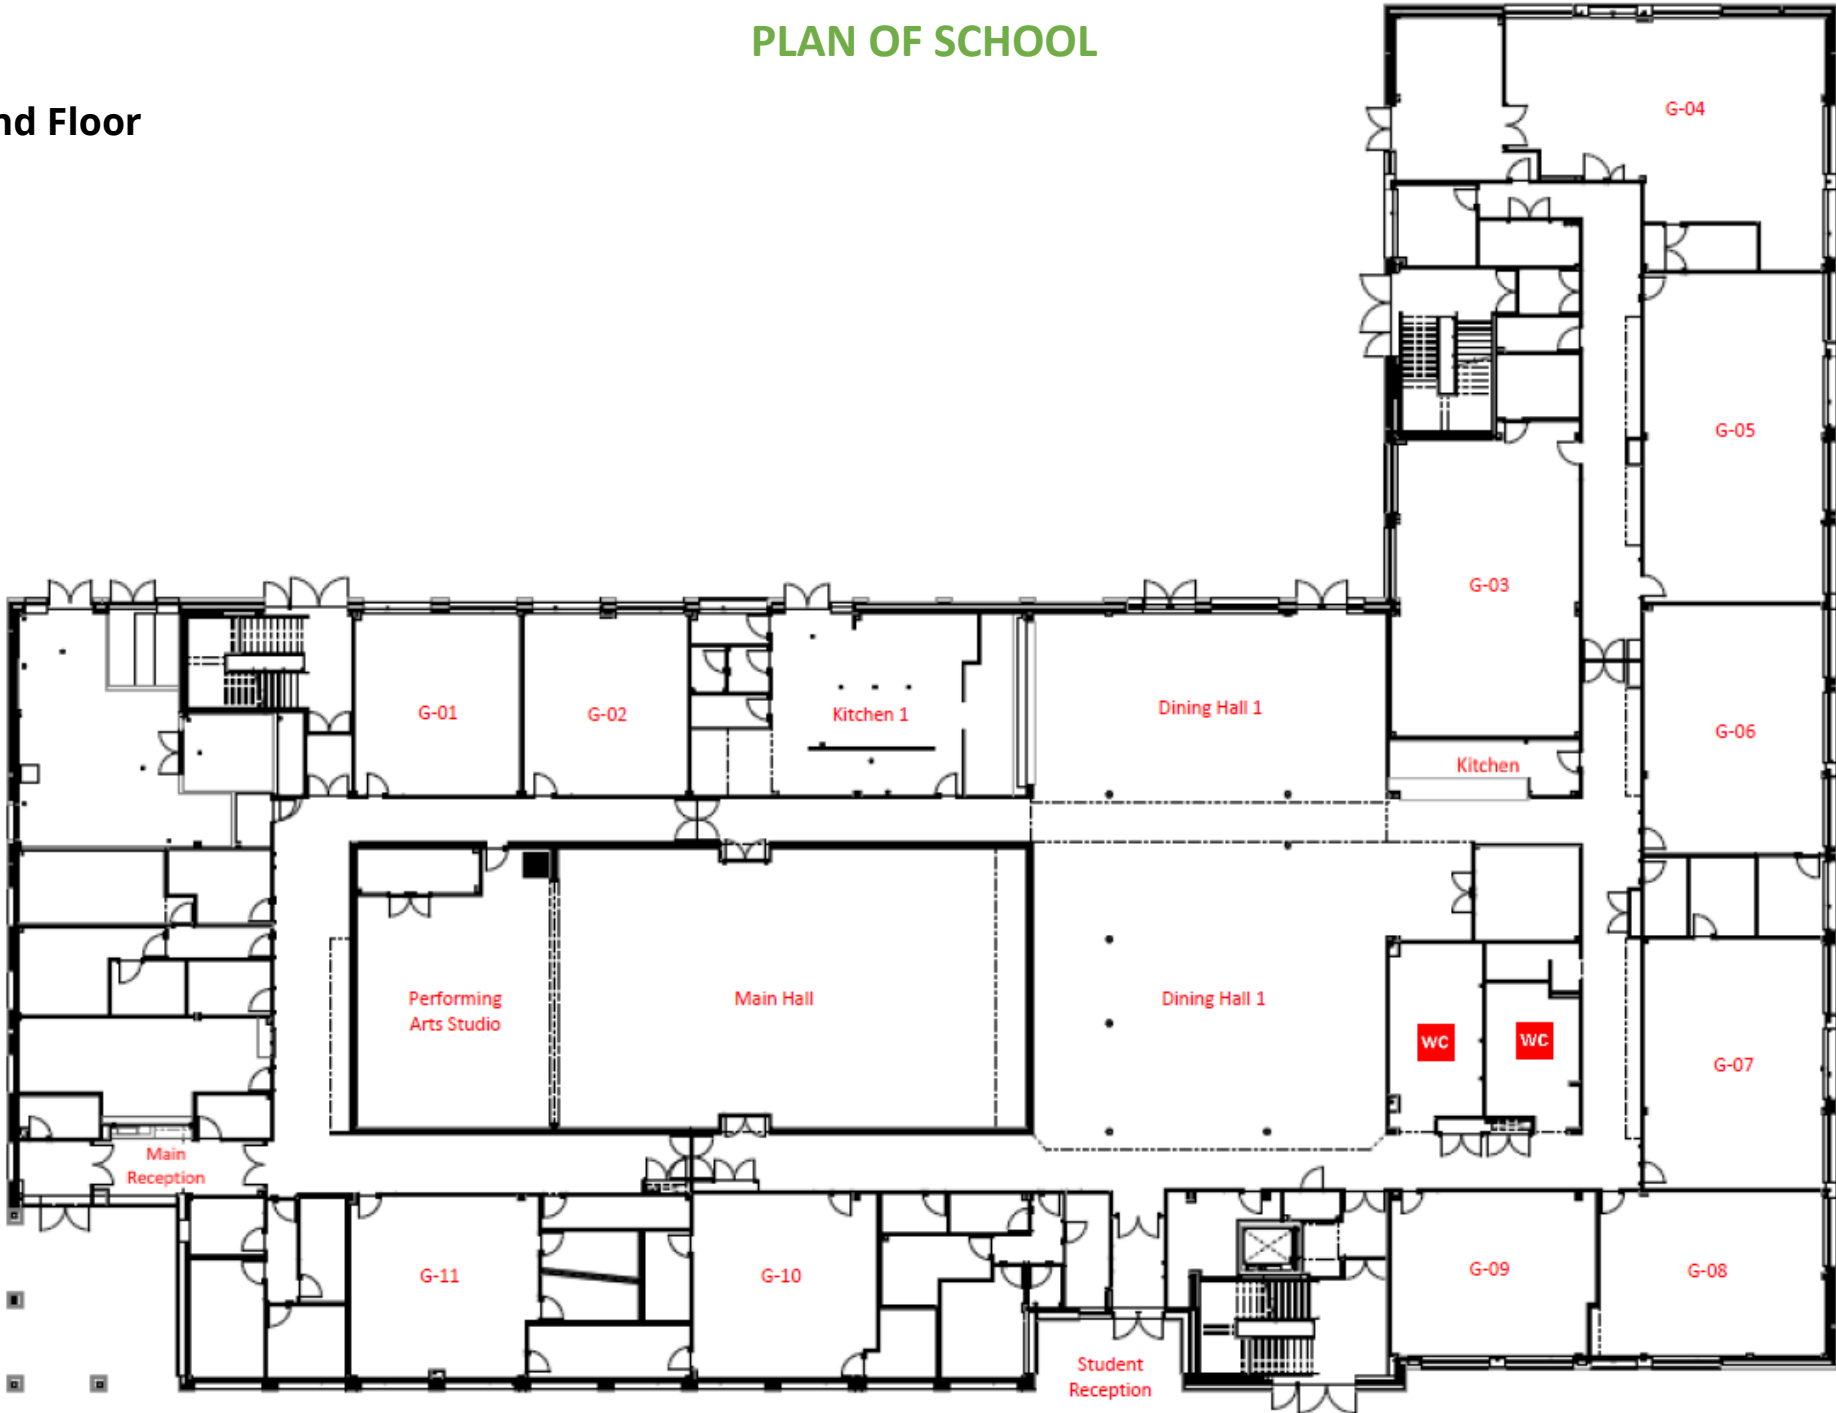

Below you will find the different subjects and the areas of the school that they will be taught in. For example, Music is on the ground floor in rooms G-10 and G-11. Find these on the map and colour the rooms in a chosen colour. Label this colour 'Music'. Choose a different subject, find the classrooms on the map and colour in with a different colour. Keep going and you will soon be able to see the different areas of the school.

THE SCHOOL CANTEEN

At Woodham Academy there is no necessity to bring money into school. On your first day you will need to have your thumb print taken and this will be linked to your 'ParentPay' account. You will use your thumb every time you want to buy anything from the canteen. Your parents/carers will need to add money to your 'ParentPay' account. They will also be able to log in and see what you have eaten and spent each day!

If you receive free school meals you will have an allocated amount added to your account each day. You are only able to use this at lunchtime and not at breakfast or breaktime.

Our dining hall is available every morning from 8:00am and will serve breakfast. It is also open at breaktime too.

Examples of our school menus and price list are as follows:

You need to watch what you buy and learn not to spend too much. It can get very expensive if you buy from the dining hall three times a day!

YEAR 7 STUDENT VOICE

"Been there and done that!"

Read what our current Year 7 students thought when starting at Woodham Academy.

"The extra-curricular clubs at Woodham are great. I go to Tech Club, and it is such a friendly atmosphere. The best part is that you get to take home your creations, and we start a new project every month. There are lots of opportunities at Woodham for people with different interests to try new things"

Thomas, Heighington CE Primary School

"One of my favourite things about Woodham is the clubs that are on offer. My favourite thing to do is mountain biking at Hamsterley Forest. I go every week, and it's nice to spend time with my friends outside of school"

Sam, Byerley Park Primary School

"The school musicals and the choir at Woodham are my favourite aspects of school. When I came from primary school, I was nervous and wanted to meet new people, so I auditioned for the musical. I was so proud of myself and my peers and it gave me an extreme confidence boost. Participating in this helped me settle in quickly"

Gracie, Vane Road Primary School

"I was the only person to go to Woodham from my primary school. I felt nervous and didn't know if I'd make new friends. Here I am now, with lots of new friends and really enjoying school. Looking back, I wish I hadn't been nervous"

Yvie, Walworth Primary School

"To all the Year 6's who may be worried, you'll have a great time. If you're worried about who to go to if you need help, then go to the Year 7 office to talk to your Head of Year and Assistant Head of Year. They will also help you if you need spare equipment or have any questions. The support team are amazing. Good luck to everyone coming!"

Abigail, Woodham Burn Primary School

"Moving to secondary school can be scary, but it's nothing to worry about. Staff are nice and very supportive. If you have a problem or worry, there's always someone to talk to"

Jacob, Sugar Hill Primary School

"Lessons at Woodham are amazing; they're extremely educational and fun. Unlike primary school, you get the opportunity to do lots of practical lessons. There is also a much wider variety of subjects too, such as food technology, engineering and graphic design"

Faye Ann, Chilton Academy

"I was nervous about taking a big step into secondary school. I thought the teachers would be strict and I wouldn't make friends, but it was a really positive experience. I actually made lots of new friends, and the teachers are lovely"

Aidan, Byerley Park Primary School

"At first the idea of secondary school seemed daunting. However, as soon as I joined Woodham, I felt instantly welcomed by staff and students. When I got lost, somebody always showed me where to go, and when I was struggling in lessons, my teachers helped. Woodham is a very welcoming place, where everyone can feel happy and safe"

Niamh, St Mary's RC Primary School

"The support staff at Woodham are very helpful. The Year 7 staff have been there for me recently when I needed them. When I first came to Woodham, I joined the Dance Academy. I went to the first session alone, and now I feel like I could talk to anybody there. It's very inclusive"

Isabella, Aycliffe Village Primary School

"I was nervous about starting secondary school, but I made loads of new friends because everyone here is friendly. I found that there was lots of support if you needed it. The Year 7 office is easy to get to, and your Head of Year and Assistant Head of Year are always there to help. There are lots of clubs to attend which are helpful for making new friends"

Arthur, Vane Road Primary School

"Moving to secondary school can be scary, but it's nothing to worry about. Staff are nice and very supportive. If you have a problem or worry, there's always someone to talk to"

Jacob, Sugar Hill Primary School

"The food at Woodham is really good! Recently the lunch menu has been added to with food from different cultures and countries, ranging from English fish and chips to French toasties. There are also a variety of paninis, salad bowls and plenty of options for dietary requirements"

Jack, Woodham Burn Primary School

"The extra-curricular activities that the school offers are brilliant! They offer a variety of activities linked to sports, science, geography and history. The teachers that run the clubs make you feel welcome"

Sid, Vane Road Primary School

"When I first joined Woodham, I was a little worried, but after opening up to the teachers, I felt much better and more settled. My Assistant Head of Year has been very helpful to talk to. Don't be scared to open up to anyone if you're unsure or need help"

Eden, Sugar Hill Primary School
